Editors comments

Dear residents,

Here we are once again...at the end of the year which is the start of the Christmas Season. I have often wondered where the term "**Christmas**" comes from and what does it mean? Most of us would assume it originates from the word Christ, as the whole idea of Christmas is to celebrate the birth of Jesus (no, it's not just about the presents). To a point that is the case - the word is a shortened form of "Christ's mass", or "Cristes Maesse" as it was first recorded in 1038.

When did we start celebrating Christmas? Interestingly, early Christians actively rejected the celebration of Christ's birth as they saw birthdays as a pagan ritual, followed in the bible by figures like the Pharaoh.

December 25th was established as the Nativity Feast Day (not necessarily the day Jesus was born - but that's another story) and the official 'Nativity Mass' was the first Mass of the day, held at 9am. As time passed the celebration of Christmas became more popular - and so too did the liturgical practices that went with it. Christmas Mass became a central fixture in the church calendar, which led to the day becoming known as Christ's Mass by the 11th century.

Why is Christmas shortened to Xmas?

It turns out we've got the Greeks to thank for that. The word *Khristos* (the origin of the word Christ) appears as "Χριστός" when written in Greek. There is an alternative theory that the use of Xmas stems from an attempt by some to remove the religious tradition from Christmas by removing the word Christ, but its use dates all the way back to the 16th century.

Happy Festivities to all the residents!

Clarifications & corrections

In the Oct/Nov edition Ann Woods placed an article on the results of the Summer Garden Bowls Tournament. Ann would like it noted how grateful she is to everyone who took part or supported the event and especially to the heat hosts who gave us such splendid hospitality. A big thank you to Felicity & Michael for hosting the final in their beautiful garden.

The newsletter comes together from articles provided by residents. We do our utmost to ensure we publish accurate, high quality articles.

Withersfield Mini-Fete

WITHERFIELD MINI-FETE

I feel a bit like the Returning Officer at an election, but thought everyone would like to see the final results from the Mini Fete. The overall result, after costs, was a profit of £1788.88. There will, in due course, be some gift aid to recover on donations, so that the final profit will be just over £1850.

The takings from the stalls were £1846.88 and we received donations of £260. The costs included travel for the musicians, hall hire on several occasions, printing and the money prizes for the raffle – totalling £318. Some of these costs were specifically covered by the donations received.

Once again, many thanks to everyone who manned stalls, helped, baked, donated gifts and produce, and also those who bought! The funds will be used towards the maintenance of the church and churchyard for this year.

News from the Parish Council

Remembrance Day

It was fantastic to see so many of you gathering at our splendidly restored war memorial on Sunday 11th November to commemorate the 100th anniversary of the ending of the first World War. It was a special honour to lay the wreath on behalf of the Village and the Parish Council. The street party in the Village Hall that followed was a great event and such a pleasure to see how the collective efforts of so many of you made for such a wonderful afternoon. A special thankyou to Stella Eve who was instrumental in bringing everyone together to organise the event.

Consulting on our Neighbourhood Plan

I have not had many responses so far concerning the proposed Withersfield Neighbourhood Plan. Those who have given comments have mentioned the issue of “back-garden” or “in-fill” developments with most considering that they are a way of increasing the number of homes in the village without adversely impacting on the village character of Withersfield. Others have stressed the importance of maintaining the rural nature of Withersfield and looking for ways to reduce the flow of traffic through the village. Everyone so far has stressed the importance of us maintaining a green break between

Withersfield and Haverhill. We will be gathering views of the main issues over the coming months and arranging meetings to outline how things are progressing in the months to come. If you have views on the factors that we should be including please do get in touch with me at: terryrich53@gmail.com or withersfieldpc@gmail.com

Traffic and speeding

We held a useful meeting with Suffolk Highways officers and County Councillor Mary Evans last month. There was some progress on investigating the possibility of 40 mph zones on the roads entering the village. Traffic survey work will be undertaken to gather the evidence to support the case. A range of other issues were raised, including whether width restrictions and speed tables might be possible. The County Council made it clear that all measures will cost money – and that it will probably up to the Parish Council to come up with the funds if schemes get approved. The Parish Council, together with our SpeedWatch group will continue to work on options. Please send me your views at:

Our Village Remembers

The village had a tremendous turnout on a sunny, Sunday 11th November to remember those who served, sacrificed, rebuilt and changed the nation following the end on WW1.

The service at the memorial included a wonderful *Last Post* from Colin, then on-to the church. This was followed by a wonderful bring and share lunch in the village hall where around 60 residents came together to share their own family memories as well as to remember those villagers who sacrificed their lives.

Our Village Remembers

A very special thank you goes to **Stella Eve** and her team for organising such a moving and thoroughly enjoyable lunch.

A great amount of thought, preparation and care went into this superb event.

**A heart felt thank you from
all the residents!**

Village Hall timetable

Jenny the Warden, is always trying to find classes that are of use to our community and is aware that there are a lot of young families in the village and at the arboretum now .

If anyone has regular classes they want to put on please let Jenny know and she will do her best to find a suitable slot for everyone or keep them on file should a slot becomes free.
